

## **CAR PARKING RULES**

(Issued in June 2002)

1. It is the Company's policy to try to provide parking for members at Armoury House on every possible occasion. There are times, however, when there is only restricted space available. This is particularly so when:

- The Regiment is rehearsing or forming up for a parade.
- Marquees are being erected on, or being removed from, the Artillery.

On these occasions, parking may be permitted on the grass but this is only providing it does not interfere with sport and the grass is not so wet that damage may be caused. The Head Groundsman, or in his absence the House Manager, is responsible for deciding on whether or not the grass may be used for parking. Every endeavour will be made to assist members to park but, on the few occasions when there is no space left, a notice will be displayed at the City Road gate advising members to park elsewhere.

2. The charges for parking at Armoury House, with effect from 1 October 2002 are as follows:

<b>Daily Rate</b>	<b>Cars</b>
Arrival before 1100 hrs	£8.00
Arrival after 1100 hrs	Free
<b>Quarterly Rate</b>	
Active Unit	£205
Veterans	£307
Bunhill Row Residents	£143
Commercial	From: £750 + VAT

### *Notes:*

1. *Weekdays only, there is no charge for weekend parking.*
2. *Charges are inclusive of VAT unless specified.*
3. *Bunhill Row Residents may opt for normal charges for those occasions that they use the Car Park.*
4. *There is generally no charge for motorcycles but members found using the hardstanding as a storage area for their motorcycles for long periods will be charged at a rate to be directed by the Sutling Committee.*

3. The Security Guard will check all cars and motorcycles in the Car Park at 1100 hrs. All members whose cars are parked at this time will be charged a full day's parking rate. (Those who are at Armoury House on Company business, for example for a P&M parade, and will be parked at 1100 hrs, should inform the Security Guard. They will not then be charged.)
4. There will be no charge for members who are disabled **and** are displaying a "Disabled Badge". Simply having a disabled badge on the car will not give the automatic right to free parking.
5. These rules will apply to those using the bedrooms and intending to park their cars at Armoury House.
6. Members of the Active Unit will be granted free parking on six training days in each calendar month. This is intended to cover attendance for training. They will be charged at the normal rate for any days in excess of six. If any member of the Active Unit considers that he or she is required to attend in excess of six days for training, he or she may make a retrospective application to the Adjutant or, in the case of the SC, to the SC Detachment Commander, for a waiver of charges. Waivers, appropriately signed, will only be accepted up to 30 days after the issue of bills.
7. The Sutling Committee reserves the right to bar from parking at any time, those members who infringe these rules or are in excess of 30 days overdue on their parking payments.
8. Members are reminded that the Company takes no responsibility for damage caused to vehicles parked at Armoury House. Members are also reminded that they must leave their car keys in the car or with the Security Guard as it may be necessary to relocate cars on the hardstanding during the day.
